Force Field Tool

Title:

What are the key drivers and resisters of your project? Place them on the spectrum of very strong to very weak to visually show how important that driver or resister is.

Put a 'T' against those who might be a potential Team Member and 'S' against those who might be a potential Supporter.

The current situation:

Drivers	Resisters
<p style="text-align: center;">Very strong</p>  <p style="text-align: center;">Very weak</p>
